

L&TF Community Outreach Program

VISION

A higher level of education after completing high school continues to be the ultimate dream of many young leaders today. While some may have all they need, many others struggle with having enough support while in college. We believe there are many high school graduates who are still in need of positive relationships, guidance, leadership and support. Love & Truth Fellowship Church (L&TF) is compelled to make their load a little bit lighter. These young people have turned the page, so let's turn the page with them. Love & Truth Fellowship and DFWCITIWomen is a 501c3 organization. Please consider helping us to lighten the load for those college students who agree to be a part of this community outreach program. We exist to empower men, women and their families economically, spiritually, educationally, emotionally, and physically in an effort to combat poverty and impact lives. Help us, help communities and our future leaders of the world.

MISSION

The mission of L&TF Outreach initiative is to *"Provide continued guidance, positive relationships, and college support services."* Some outreach projects include:

- * Quarterly college lifestyle necessity care packages
- * Dorm necessities for first year students
- * Gift cards (clothing, gas, food, etc.)
- * Special occasion cards
- * College books, printers and other mandatory college supplies
- * Support for milestone events
- * Medication (no contraceptives): case by case basis

Items not offered by L&TF Outreach Initiative include, but not limited to:

Rent, Bills, Fines or Club dues
Vehicle related or travel expenses
Electronics

L&TF Community Outreach Program

Requirements: To qualify for the L&TF Outreach Initiative, each enrolled college student must maintain a 3.0 GPA, submit each semester's grades and class schedule; complete each semester's progress report provided by L&TF and be active with our accountability coach. There will be occasional group meetings during school breaks for local students and one-on-one conference calls for distant students for further enrichment as needed.

Funding: Every semester, the participating student will receive a Walmart gift card to assist with food, hygiene products, medical supplies and gas. This gift card will be mailed to the address provided by the student. Additionally, and as funds are available, we will provide one (1) book per semester for a required class, one (1) printer, gas cards for off-campus students, mandatory college supplies and/or basic dormitory necessities for first semester students.

We have partnered with DFWCITIWOMEN to lighten your load. We are so excited to have this opportunity to serve you while on your journey. Please don't hesitate to share all milestone events or awards you may achieve; your success is our success and should be celebrated!

Should you have any questions feel free to contact us.
